Accelerate Health Innovation Across Boundaries

**ACCESS &
ACCELERATION**

Save the date

18. Jan. 2022

11.00-20.00

With its final conference, the project partners would like to invite you

- to gain insights on project outcomes and their integration into the Access & Acceleration platform for health innovation,
- to intensify strategic partnerships in the fields of education, research and innovation,
- to get involved in collaboration activities between hospitals and academia,
- to get inspired for the development of new business ideas and collaboration.

The conference is organised by the Access & Acceleration network: www.accessinnovation.eu.

Participants have the opportunity to become part of our platform: www.access-platform.eu.
